We started growing peaches as a commercial proposition solely to make our nursery business more efficient. We found it almost impossible to grow trees in a commercial way in the nursery without having an orchard of standard varieties from which to cut buds. Therefore, we planted four different test-orchards, containing 100 varieties, 6 trees of each variety. In a few years these trees began to bear fruit, and then it became a question of disposing of the crop. We soon found that peach-growing on the Peninsula was profitable, and as a result we increased our orchard plantings year by year, until at the present time we have something over 1000 acres in fruit trees.

Peach Trees—Graded, Ready to Pack and Ship.

## PEACH TREES

| | Each | 10 | 100 | 500 | 1,000 |
|---|---|---|---|---|---|
| 1 to 2 feet | $0 50 | $4 00 | $30 00 | $125 00 | $200 00 |

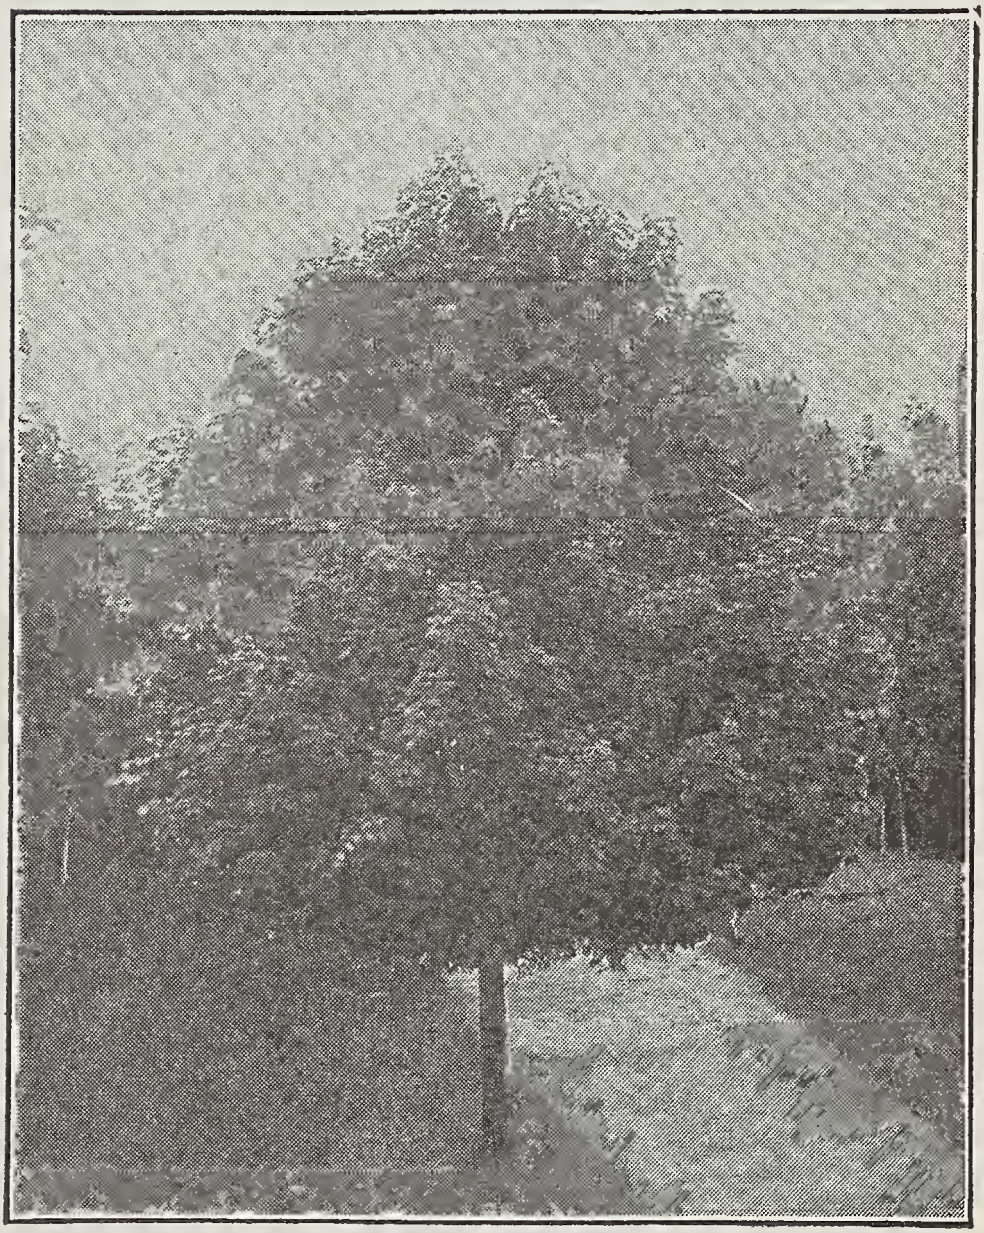
## MAPLES



Norway Maple

*Fine specimen Norway Maple in the Presbyterian Churchyard, Berlin, Md. The ideal tree for street and lawn planting.*

**Nature seems to have provided no other tree so valuable and adaptable. For lawns, for streets, for parks, it has no superior.** **See page 11.**

**NORWAY.** For lining the sides of lanes and roads, for the lawn, for streets, for protecting the house from sun and weather, and for real, permanent worth in landscape planting, there are no other trees so thoroughly valuable as the Norway Maples. They are at home in almost any situation, without regard to soil or climate. The Norway Maples in our nursery have straight trunks, with well-rounded and symmetrical heads. They have been properly cared for by cultivation and by pruning, and are superior in every way.

**Asa Gray**
**James Kelway**
**Mademoiselle Rousseau**
**Marguerite Gerard**
**Mme. Emile Lemoine**

CLASS E

35 cts. each, $3.50 per doz.

Some excellent varieties whose names have been lost. They are free-flowering sorts and are especially recommended for landscape planting. We have two colors, **Red and Pink.**

# Iris of Rainbow Hues

**We do not ship Iris plants by parcel post**

We have a large block of Irises which were grown solely for the purpose of selling in collections as mixed sorts. The plants were propagated from some of the most popular named varieties and, of course, bear all of the desirable characteristics of the parents. In all probability we will not be able to make this special offer another season, so we advise our friends who desire Irises for mass planting to make their reservations this fall. Flowering clumps, 25 cts. each, $2 for 10, our selection.

Cactus Dahlia

## Dahlias in Mixture

From time to time we have grown most of the new introductions in Dahlias, and also have cultivated the reliable old standard sorts. We have never catalogued Dahlias, preferring to use them as a matter of information and record; but this season the quantity has grown so large that we feel perfectly justified in offering them to our customers. We are not prepared to send them out under their correct variety name, but rather as an assortment of some of the choicest specimens of Show, Fancy, Cactus and Pompon classes, in their varying shades and color. We offer our own selection of extra large tubers at 25 cts. each, $2 for 10, $15 per 100.

We accept Liberty Loan Bonds, Thrift Stamps and War Savings Stamps at face value, but no cash discount is allowed for such payments.

# PARCEL POST

## Read Carefully Before Ordering

**We cannot ship** by parcel post any Fruit Trees, Nut Trees, Shade Trees, Evergreens, Broad-leaved Evergreen Shrubs, Boxwood, Privet, Barberry, Flowering Shrubs, or Vines.

**We strongly recommend** that Strawberry Plants, Grapevines and Roses, be ordered shipped by parcel post; extra-large shipments, by express. See notation at head of each of these departments.

**Rates.** We quote no special parcel-post prices on Strawberry Plants, Grapevines, and Roses. When ordering, remit according to prices quoted in catalogue and we will ship by parcel post if ordered by you to do so, and when a sum sufficient to cover postage accompanies your order.

The weight on nursery stock varies so very much and our customers are located in so many different parcel-post zones that it is impossible for us to make a flat parcel-post rate on any item without imposing an unjust charge on certain of our customers.

## We Strive to Avoid Mistakes

**But in the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untrueness to name, to replace the original order or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, express or implied, as to description, quality, growth, productiveness, or any other matter.**

**HARRISONS' NURSERIES**
**BERLIN, MARYLAND**

# TERMS ON WHICH WE SELL NURSERY STOCK

**IMPORTANT—PLEASE READ CAREFULLY**

Cash must accompany all orders amounting to $100.00 or less, a cash discount of 5 per cent being allowed on the total amount.

We will ship larger orders C. O. D. providing 25 per cent of the total amount of your order is sent in cash. If the order is shipped by express, you pay the balance to your express agent upon delivery of goods.

If the order goes by freight, you pay the balance at your bank, where you will also find the bill of lading which you present to your freight agent, who will deliver shipment to you.

NOTE. We allow a cash discount of 5 per cent on all orders, large or small, for which the total amount of order is remitted before shipment. We do not allow discount of 5 per cent for balances paid upon arrival of shipment.

We accept Liberty Loan Bonds, Thrift Stamps and War Savings Stamps, at face value, but no cash discount is allowed for such payments.

## Transportation Rules

We have always made it prominent in our printed terms that our goods are sold f. o. b. cars at the point of shipment and are at the purchaser's risk while in transit. Because of the present unsettled conditions, we wish to emphasize still further that **we do not guarantee safe delivery.**

The ownership of all goods sold by us passes to the purchaser on delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent at the point of delivery.
